

# Lewes residents Landshare

If you have a garden with ground to spare

OR

Would welcome the offer of land to share

This is an opportunity for residents to express  
an interest for their gardens to be  
used and not neglected.

## **Benefits of this facility include:**

- Share of fresh, home grown produce
- More carrot crunching, less credit crunching
- Extra home security
- Encouraging a community spirit
- Keeping a garden alive and well
